ABOUT US

- We have recently onboarded one of the biggest pharma giants in the world. Being listed in both Indian and foreign stock exchanges, they wanted to mitigate their global compliance risk. With the help of Komrisk, our compliance solution for enterprises, we helped them establish a compliance culture in their organization.
- Other than compliance, Lexplosion has also been able to deploy our contract management solution, Komtrakt, in a few of the manufacturing setups, who urgently required to structure their contract management portfolio in their organization.
- We are also working with many organizations, helping them with abstraction of critical obligation from contracts, reviewing Adhoc requests, creation of templates and playbooks, with the overall aim to provide a comprehensive contract management structure for them. Get in touch with us for getting for structuring your contract portfolio and minimizing your contractual risks.
