Compliance and Data Protection Workflow: Safeguarding Data Privacy under Digital Personal Data Protection Act, 2023

Safeguarding Data Privacy under Digital Personal Data Protection Act, 2023

While the Digital Personal Data Protection Act, 2023 is yet to become enforceable, specific timelines for its implementation have not been finalized. According to government reports, the provisions of this legislation will come into effect gradually over the next few months, in conjunction with the corresponding Rules designed to complement the new Data Protection Act.
