## OUR BLOG

### Proactive Approach to Anti-Competitive Practices: Exploring the Digital Competition Bill 2024 (India)

India's Digital Competition Bill (2024) is on the horizon, and we're here to break down its potential impact. This bill aims to level the playing field for startups and empower consumers by curbing anti-competitive practices used by big tech companies to dominate the market.

In this blog, we have explored the proactive approaches outlined in the bill to promote fair competition, protect consumer interests, and educate SSDEs and ADEs on the key regulations. Read the full blog to see if India's digital future is poised for a major shift towards fairness!
