### Navigating Ethical Marketing in the Medical Device Sector: Adherence to the 2024 Uniform Code for Marketing Practices

With the introduction of the Uniform Code for Marketing Practices for Medical Devices, the Department of Pharmaceuticals has taken a significant step toward ensuring ethical marketing in the medical device sector. This new framework not only mirrors key provisions from the pharmaceutical industry but is specifically tailored for medical devices like diagnostic tools and surgical equipment, addressing their unique compliance needs.

Dive into our latest blog to explore the key highlights of the 2024 Code and its impact on marketing practices in the medical device industry.
